

*Gianni & Origoni focuses on crisis taxation  
with the hire of Giulio Andreani*

*Andreani joins with a team of three senior professionals*

Milan, January 7, 2024 – International law firm Gianni & Origoni is pleased to announce the appointment of Giulio Andreani as Partner in the Tax Law department. Giulio will join with his team experts in tax restructurings and tax litigation: Angelo Tubelli, Erika Andreani and Valeria Andreani, who will all join GOP as Senior Counsels.

Giulio is a well-known expert in crisis management taxation, tax litigation, and distressed M&A taxation. He has been involved in the most complex and innovative tax transactions carried out in Italy within the context of debt restructuring and distressed M&A operations.

He directed the Master's programme in Tax Law at the Luiss University and at the "Scuola Superiore dell'Economia e delle Finanze". He is the author or co-author of approximately three hundred articles published in leading industry journals and more than twenty specialized monographs.

With the arrival of Giulio and his team, GOP further bolsters its historic tax practice, enhancing the corporate crisis taxation sector with one of the leading experts in the field and completing the range of services offered in business restructuring.

Fabio Chiarenza, head of the firm's Tax Law department commented: "We are delighted to welcome Giulio Andreani and his team. At GOP, they will find an environment where they can seamlessly integrate with our activities and expertise, driving even greater success together."

Co-Managing Partner Giuseppe Velluto added: "With the addition of our new colleagues, we continue to expand and reinforce our leadership, in alignment with our strategic plan, which focuses on integrating the best professionals in the market to better serve our clients."

Giulio Andreani states: "I am thrilled to embark on this new chapter. I'm confident that we will integrate perfectly with our new colleagues at Gianni & Origoni, forming a strong and dynamic team."

**Notes to Editor:**
