

Gianni & Origoni strengthens its Litigation and Arbitration Department with the hire of Cecilia Buresti

Cecilia joins with a team specialised in insurance and banking litigation

Milan, January 10, 2025 - International law firm Gianni & Origoni is pleased to announce the appointment of Cecilia Buresti to its Milan office. A professional with extensive experience in insurance and banking litigation, Cecilia will join the Litigation and Arbitration department as Partner. Along with Cecilia, the firm also welcomes Lucia Salerno as Senior Associate plus Sabrina Palermo and Marianna Giordano as Associates.

Cecilia joins from a prominent international law firm, where she worked for several years, becoming a partner in 2015, and later assuming the role of head of the Litigation department.

She has 30 years of experience in both contentious and advisory services, with a particular focus on the insurance and banking sectors, handling high-profile cases for both national and international clients. She is also a regular speaker at conferences and seminars.

With 77 professionals, including 14 Partners, the Litigation and Arbitration department at Gianni & Origoni is one of the largest and most established in Italy. The arrival of Cecilia and her team further strengthens the department, especially in the insurance sector, consolidating the significant expansion made in late 2022, when Partner Stefano Rossi and his team joined the firm.

Antonio Auricchio, Co-head of the Litigation and Arbitration department at Gianni & Origoni, commented: "We are pleased to welcome Cecilia and her team. Their addition brings added value to our clients, who will benefit from even greater expertise in insurance and banking litigation."

Cecilia Buresti states: "I am very happy to join a team of highly skilled professionals, within which I will have the opportunity to share my expertise and contribute to providing even more effective service."
